Former counsel has graciously agreed to accept appointment. Accordingly, George Goltzer is hereby appointed as counsel pursuant to the Criminal Justice Act to handle any application relating to COVID-19). Honorable Judge Jesse Furman.

My name is Yivanna Valdez. I am writing in regards of my brother Juan Fernandez.

Juan is incarcerated in Fort Dix Facility in New Jersey. His numbers are 67050054.

I am writing in regards to see if you could please consider him for early release due to Covid-19. We are worried about his health. He only has 1 kidney due to him donating one to our mother.

Juan has served 8 years so far out of his sentence. In that time he has gained lots of knowledge and certificates. Has a very well behaved and respectful man. He also has a 8 year old son that would benefit from having his father home.

If Juan is released he will have a place to come home to and a room to quarantine in. I will also be supporting him financially until he is able to work and be able to stabilize himself back in society. I also have family members that are willing to help if anything else is needed.

I would like to thank you  
for taking time out to reading  
this and really hope you would  
consider Juan.

If you have any questions  
below is my phone number
